Berliner
Play equipment for life

All-round Play Value can be that simple: IKO

Let IKO be the highlight of your playground. This investment involves no major planning, delivery is fast and installation straightforward. All tensioning points are based on the AstemTT® system to ensure that no technical connecting elements or thimbles are located in the play space.

IKO is unbeatable in terms of play value: Swinging, climbing and rocking – this is fun, excitement and adventure combined. IKO complies with the safety standard for playground equipment (ASTM F1487) and is certified by the TÜV Product Service.
